

Requesting a No-Cost Extension in the Grants Portal

A no-cost extension (NCE) extends the end date of a project without additional funding. NCEs may be necessary in order to allow the PI time to complete the work of the project.

A no-cost extension may be requested via the [Grants Portal](#) using the steps below, or you can contact your [SPA Pre-Award Representative](#) to determine what is needed to extend your project period. Generally, a no-cost extension will require the sponsor's approval.

1. Log in to the [Grants Portal](#) using your **UGA MyID** and **Password**.
